

Education level is low in Madhya Pradesh state, that is 66.51% according to census 2001. 11.5% peoples are literate up to 10th standard and only 4.4% are graduate and above. Very less numbers of schools and colleges are available in Harda district. Dayalbagh Educational Institute provides the education facilities in villages of Rajaborari Estate and Timarni. Dayalbagh wants to increase the education level in Rajaborari and develop the tribal area.
