

Shiromani Nagar Committee (SNC)

Dayalbagh community has internal committee known as shiromani nagar committee which is responsible for maintenance houses of colonies, assigning different duties, managing visitors, managing food distribution from community kitchen and overall maintenance of locality. SNC maintains the record of members living in colonies, allotment of vacant house, and maintenance of shelter to visitors during Bhandara days. It is also responsible for maintaining public utility and administration and governance of overall colonies.

- 1 For the comfort of residents 2 Vikram Electric Vehicles and one Solar Electric Vehicle are being run for internal transportation. These are pollution-free vehicles.
- 2 Fogging (fumigation operation of Dayalbagh Colony) is being done regularly from March 2010, with a modern imported German make fogging machine. This has helped in the reduction and control of mosquitoes and flies inside the colony.
- 3 A Kiosk & Canteen service has been started at 3/9, Prem Nagar from 2011 on round-the-clock basis. It provides tea & snacks to the pilgrims arriving in Dayalbagh, at odd hours during Bhandaras and Special Occasions
